

THE HEART OF IT ALL

While the entire RCHD staff provides quality patient care, few realize that this concept extends well beyond the hospital walls.

Provider Robert Baldree traveled to the Democratic Republic of Congo with **Purpose Medical Mission**, to provide primary care and assist in surgical procedures.

Providers Allen Graham and Troy Wilborn traveled to Rockport, TX to provide supplies and medical care to victims of Hurricane Harvey.

PCA SKINCARE

Along with Aesthetic Services, PCA Skincare products were added to the RCHD retail pharmacy. Patients now have access to hundreds of products addressing all skincare needs.

SALAD BAR

As part of the RCHD Health Initiative, a soup and salad bar was added to the Dining Facility for employee and public use. This addition provides a healthy, affordable, and consistent meal option to the community and surrounding areas.

Other components of the health initiative include the addition of healthy vending options and access to quality drinking water.

PROVIDER EXCELLENCE

Providers Lindsey Bownds and Brandon Sue were nominated to serve on TAPA (Texas Association of Physicians Assistants) committees.

Brandon Sue, PA-C
TAPA Legislative Affairs Committee

Lindsey Bownds, PA-C
TAPA Public Relations Committee

CERNER CONVERSION

In late 2016, the RCHD medical staff, administration, and board members made the decision to convert to a new electronic health record system.

After thorough research and multiple site visits, the Cerner EHR Software was the clear choice for RCHD.

Through the entirety of 2017, the RCHD staff put in countless training hours to ensure a smooth transition when the system goes live in February of 2018.

HALLOWEEN

Halloween at RCHD is second to none. The staff goes above and beyond each year to create a fun and spooky tour for the RISD little ones.

BE AT WAR WITH YOUR VICES,
AT PEACE WITH YOUR NEIGHBORS,
AND LET EVERY NEW YEAR FIND YOU A BETTER PERSON.

-Benjamin Franklin
